Thanks, Sarah. Do you have the final amount handy? Or an estimate. I think your last estimate was around \$3M.

Bill and Karyllan,

This is a heads up that the oversight bill should be going out this week. I spoke with Carol Dinkins about the bill and I understand that Occidental Chemical Corporation (along with Maxus Corp. and Tierra Solutions, Inc.) is prepared to pay its share. We are planning to send a copy of the bill to Carol and ask that you and she coordinate on the logistics of payment.

Please let me know if you have any questions.
